# What is the relationship between FMCA, INTO and RTI? *ARTICLE*

**Contributed by Phyllis Slaughter**

If you received the link to this newsletter via email, you are a member of RTI or Roadtrek International.

And you need to continue to be a member of FMCA also.

So, what is INTO? FMCA is divided into 10 geographic areas. If all the members of the chapter live in the same state or area, they are a chapter within the area they operate. For example, the Arkansas Travelers is a chapter with members from Arkansas only. They are part of the South-Central Area. The areas have rallies with their chapters. Any FMCA member can attend an area rally even if they are not living in the area or belong to any area chapter. For example, for years our Region 9 has held a rally within the Western Area Rally at Indio in January.

Roadtrek International has members all over the US and Canada. So, we are in the International Area or INTO. Other chapters under INTO include brand specific groups and common interest groups like Full Timers, Racecar Fans and Amateur Radio.

The next INTO rally is May 17-21 in Muskogee, OK. What happens at the INTO Rally? There are FMCA Benefits Update, Chapter Fair, Hot Dog Bash, Ice Cream Social, Coffee & Donuts, Breakfast, Ladies Tea. All spaces are full hookup and on concrete, 4 Nights Camping, Vendors, Seminars, 2 Nights Entertainment, Card Bingo, INTO Membership meeting, Picnic & More meals (breakfast, BBQ meal and Hot Dog supper) included. Read about it at: <https://fmcainto.com/2023/09/mosey-into-muskogee/>

This year we are holding our Roadtrek Chapter Rally a few days before (May 14-17) the INTO rally at the same location. Read about our Roadtrek Chapter rally elsewhere in this newsletter.

# **The Roadtrek Chapter Rally -- Mosey INTO Muskogee Early**

**The Roadtrek Chapter Rally will be held May 14-17, 2024, at the Hatbox Event Center in Muskogee, OK.** It will be a pre-rally and held just before the INTO rally in the same location. We will be parked in the same sites for both rallies.

Our Roadtrek rally is an opportunity to meet other Roadtrek owners, trade information about our vehicles, travel tips, and get to know each other. We are still planning the details, but there will be the usual tech seminar, swap area and other activities. Every morning we will meet for continental breakfast and have dinner together. One activity planned is the "Tour of Homes" where we can see and hear about what others have done to their Roadtrek homes. There will be an award for "best in show" for the best home improvements.

We also hope to do something special to celebrate Roadtrek Corporation's 50 th Anniversary.

The Rally fee for the Roadtrek Rally is \$125 for one person in a Roadtrek, \$150 for Two people in a Roadtrek and \$175 for 3 people in a Roadtrek. The rally fee includes 3 nights camping (electricity and water), 3 continental breakfasts, 2 dinners, and other activities.

Sign up for the rally at: <http://region7rally.org/>

Send the rally fee to [Phyllis.Slaughter@gmail.com](mailto:Phyllis.Slaughter@gmail.com) via Zelle. You need a Zelle app on your phone or via your banking website. Or send a check to Phyllis Slaughter 407 Palomar Lane, Richardson, TX 75081 for the appropriate amount.

Please register for both rallies by April 1<sup>st</sup>. We cannot guarantee a full hook up site or the same site for both rallies after April 1<sup>st</sup>.

Sign up for INTO at

On the line that says "RV Type", enter Roadtrek Chapter. **Do not pay** for the extra night. That night is covered with the Roadtrek Rally fee.

# Roadtrek R&R to See the Total Solar Eclipse

## EVENT DESCRIPTION

### REGION 6 Roadtrek R&R to See the Total Solar Eclipse

Arrowhead Lake

Johnston City, IL

April 7-8, 2024

By Gil and Nancy Emmert

A total solar eclipse will occur April 8, 2024 in the United States. The path of totality goes from Texas to Maine. We have booked a campsite at Arrowhead Lake in Johnston City, IL to watch it, weather permitting. At that location, the totality should last just over 4 minutes. Johnston City is a small town in southern Illinois, about 60 miles north of Paducah, KY.

We invite other Roadtrekkers to join us and make it a Roadtrek R&R. You will need to book your own campsite; to do that call Johnston City Hall (telephone: (618) 983-6651) and ask for Jade West, she is the city clerk. Tell her you want to reserve a campsite at Arrowhead Lake during the solar eclipse; she will explain the process and get you started. (The computer system at the campground office can't handle reservations that far in advance, so the reservations are being handled by the city hall).

We are in site F2. As of a week ago they had 16 sites available. RV sites are \$50 per night with no discounts. All sites have 30 and 50 amp electricity and water. The campground has a dump station, laundry, and showers. The campground website is <http://arrowheadlakecampground.com/>

To watch the eclipse you will need ISO certified eclipse glasses. You can get them online. One possible source is <https://eclipse2024.org/eclipse-cities/city/12581.html?lang=en>

# Sooke Vancouver Island Meet Up

*EVENT DESCRIPTION*

## **REGION 8 Sooke Vancouver Island Meet Up**

**British Columbia, Canada**

**May 23-26, 2024**

**By Teri Rostberg**

The next event in Region 8 will be on Vancouver Island at the end of May. This has become an annual meetup which I attended for the first time last May and had a great time. The campground doesn't open until April but don't worry about reservations before that time since there are plenty of sites set aside for us. I have not made a reservation for the ferry yet but will soon. That week is between a Canadian holiday Victoria Day and Memorial Day so the ferry can get busy. I will probably take the BC ferry between Swartz Bay near Sydney to Vancouver BC (**Tsawwassen**) one direction. You can also take the Black Ball ferry from Port Angeles WA to Victoria.

The Vancouver Island Roadtrek Community Facebook page is a good place to ask questions of the locals and organizers of the event Barb and Michelle.

# Roadtrek Caravan to Yucatan 2025

## EVENT DESCRIPTION

### **REGION 9**     **Roadtrek Caravanas to Yucatan 2025**

#### **Mexica**

#### **By Sam & Laura Hutkins**

Are you ready for a trip of a lifetime? My wife, Laura, and I completed a 3 month RV camping trip this year driving our Roadtrek in a caravan all the way to Mexico City! We experienced Mexico in a way that we could not by visiting one location, doing it alone or dropping by off a cruise ship. We have been in so many beautiful towns, seen the silver town of Taxco, shopped the mercado in Mazatlan, climbed ancient Aztec pyramids, been in the heart of Mexico City to visit the museum as well as the Cathedral of Our Lady of Guadalupe, seen gold encrusted altars of many churches, found the source of and tasted many tequilas, ate at some of the best Mexican restaurants in town, and forged lasting relationships with our fellow travelers. Many of those experiences have been enhanced with experienced and interesting local tour guides. This was provided for us through Caravanas de Mexico, the only federally licensed caravan company in Mexico, and the company we will be contracting through for this trip in 2025 (<https://mexicocaravans.com/yucatan.html>). And we're ready to go again!

We are organizing a 3 month "Roadtrek and Class B Friends Trip" to the Yucatan in January 2025 (dates tbd). That is more than a whole year away to do your planning, plus the price will go up December 31, 2023. That makes NOW the perfect time for you to get onboard. Direct from Caravanas de Mexico's web site for the trip,: "We will explore Mexico's Colonial Interior then head for the Caribbean coast and the Yucatan, exploring both well-known Mayan sites and many that tourists seldom visit, like the remote - impressive ruins at Calakmul, near the Guatemalan border. All your RV parks are covered, plus many meals & tours. We will end the trip with some relaxing beach stays on the west coast. We will cruise on Lake Bacalar, sometimes referred to as the Maldives of the Americas, swim in jungle rivers & sink holes, witness thousands of bats emerge from a cave at sunset and observe strange religious practices in the highlands of Chiapas. We will stay at an orphanage in Chiapas. On our last trip we raised enough money to supply it with an extra fridge and a washing machine." This year the Yucatan Caravan met in Mission, Texas in January (border crossing) and returned via Lukeville, Az in early April. By being only Class B's we will have better access to more campgrounds, so signing up now will assure we are only Roadtreks and Class B's.

Got your attention? You probably have many questions like:

- This is a year and more away. It is for 3 months! I do not know what I will be doing then. Maybe I will have conflicts, bills, health issues, or my Roadtrek will need repairs. How can I make this commitment now?
- Why register now and not wait until, say, late 2024?
- Is this a Roadtrek-only trip? Why? What about those big rigs and Class A's?
- Is it safe? (Boy, have we heard that question over and over again, including from our children.)
- What if I break down on the road in Mexico?
- Is it safe? (Didn't we already cover that question?)
- How much does gas cost in Mexico?

- Can I drink the water?
- Are all the meals rice and beans, and are the foods too spicy?
- How much does it cost?
- Can I get a refund if we find we cannot go?

In August I will have a ZOOM meeting for anyone interested. We can cover these questions and more. Not sure about it yet? Come join the ZOOM meeting anyway. Have questions that will not wait? You can contact us at our [email sam.hutkins@gmail.com](mailto:sam.hutkins@gmail.com) .

To participate in the ZOOM meeting, please email us with the SUBJECT: "Yucatan ZOOM meeting", and feel free to add a question others might have, also.

Trip dates: Jan-April 2025 (tbd)

Price: \$13,850 USD based on 2 people per vehicle (changes 12/31/23)

\$750 USD deposit now

Canadian dollars based on the exchange rate.

Special note: If we do not get 12 Roadtreks or Class B's signed on by June 2024, Caravanas will have to open this up to larger vehicles. So, now is the time to get our gathering moving! This is not an RTI-only rally. If we do not get all 12 slots filled by Roadtreks and Class-B's, then they will open the trip up to other sized vehicles.

Come join the caravan!

### **Note from Chris Oberhoffer:**

**LIKE MUSIC?** If you are so inclined to love history and music culture look at a 5 1/2-page article "There's Music in the Air" in the Nov. Family Rving Magazine "Mountain State Magic" Pages 62-67. It is written by Josephine Matyas our former Region 3 VP. There are many pictures and descriptions of places to go and enjoy Region 3.

### **Attention all Canadians in REGION 3**

Josephine has been our VP for region 3. Recently she had to step back from her position because of a family medical issue where she has additional responsibilities in the caregiver department. Is there any one in Region 3 that would like to help with this position. It doesn't require a lot of your time but does help to have someone who can communicate with members in your region on activities and gatherings that members may be planning. This year we finally have some open communication with our Roadtrek Manufacturer and it is Roadtreks 50th anniversary manufacturing Roadtreks! Region 3 is a vital link to them. Maybe you could help. I am only a 21-hour drive from the Roadtrek headquarters so a little help from a few VP's would be helpful. Josephine is willing to be your advisor.

Sad news to report. Bob Kroah has died at the age of 84. Many of you will remember him as the Region 4 Vice President. He and Carol along with Jimmy were rally masters for many memorable rallies held in Region 4. Most memorable are the rallies held at Evergreen RV Park in the heart of Amish Country.

Why I bought a Roadterk? It is because of people like Bob and Carol Kroah. When shopping for my first reg, we would talk to any Class B I met on the road at rest areas and campgrounds. Almost universal we found the owners of Roadtreks very will to talk and show us their rigs and the owners of other Class B RV's not so willing. Now we owe our second Roadtrek.

First a trip to Tucson for FMCA's Fiesta Del Sol, March 20-23. Our plan is to go via the Natchez Trace Parkway (NTP) from the Parthenon in Nashville, TN using SR 100 to connect to NTP and then to Natchez, MS.

Thanks to Terry Whitesell's research we will watch the Total Solar Eclipse near Girard, PA April 7-8, 2024, my fifth eclipse. Today there are 6 Roadtrekers signed up. Terry Whitesell is the contact ([terryw5355@gmail.com](mailto:terryw5355@gmail.com)) 1 (724) 482-4191.

Roadterk International will be having the Chapter Rally May 14-17 before the Mosey INTO Muskoogee rally May 17-21, 2024. Bob Weithofer is the contact person: ([bobww.fmca@gmail.com](mailto:bobww.fmca@gmail.com)) or call (615) 218 7530. I'm hoping for a good turnout.

Look for Terry Whitesell's Awesome Autumn XII announcement in this newsletter.

On June 20-22, 2024 Don & Maria Hatfield are sponsoring an R&R at Indian Mountain State Park near Jellico, TN. So far seven RV's have signed up and three have expressed interest. See the Event Description for details.

The big event in the works is coming from Roadtrek Inc. The 50th anniversary. No details yet, but we are waiting for the announcement.

Happy trails to you, until we meet again,

For most of us in the northern regions our Roadtreks are still packed away, but spring is coming and it is time to start signing up for the rallies we want to attend.

For those who may be in the Southwest in March, you might want to attend the FMCA Spring Convention March 20-23 in Tucson, AZ. (See details in the FMCA magazine or on their web site.)

Join Gill and Nancy Emmert around April 8th. at Arrowhead Lake, Johnston City, IL to view the total solar eclipse. (Details in this newsletter)

Our 2024 Chapter Rally will take place May 14-17 followed shortly thereafter by the FMCA INTO Rally May 17-20 (both at Muskogee, Oklahoma.) This is a great way to take in two rallies on one trip! (See details in this newsletter and on the FMCA site.)

Mark your calendar. Plan to attend the FMCA Midwest Rally July 24-27 in Amana, Iowa. (Registration through the FMCA Site) We are planning to have a Roadtrek group at that rally. Watch our web site and future newsletters for details. Also check the Roadtrek web site and the newsletters for other rallies scheduled for 2024.

We would like to see more Roadtrek rallies in our region. You have probably noticed, campground reservations are filling earlier than in the past. If you have an idea for a 2024 rally, contact your VP's. We are here to help. Your rally can feature a special place or event such as a festival - or it can be a relaxing few days to share the company of fellow Roadtrekers. We need members to step forward if we are to have rallies. Safe travels and see you at a rally or somewhere down the road.

We are always looking for new places to go and help planning rallies at those places. If you have a location in mind for a rally or R&R, contact the region VP's and we will facilitate getting it going. We need ideas and volunteers to help plan. Please volunteer! Your region VP's are experienced at rally planning and executing them but need you to help find a location and help to plan activities.

The next event in Region 8 will be on Vancouver Island the end of May. This has become an annual meetup which I attended for the first time last May and had a great time. The campground doesn't open until April but don't worry about reservations before that time since there are plenty of sites set aside for us. I have not made a reservation for the ferry yet but will soon. That week is between a Canadian holiday Victoria Day and Memorial Day so the ferry can get busy. I will probably take the BC ferry between Swartz Bay near Sydney to Vancouver BC (**Tsawwassen**) one direction. You can also take the Black Ball ferry from Port Angeles WA to Victoria. The Vancouver Island Roadtrek Community Facebook page is a good place to ask questions of the locals and organizers of the event Barb and Michelle.

**Roadtrek Caravan to Yucatan 2025!**

We have been Roadtrek members since we purchased our 2000 Roadtrek 190V in 2002. I recall hearing rallies being announced that were to take our Roadtreks on the train to Copper Canyon in Mexico and a rally somewhere in Washington or maybe Victoria to take a cruise to Alaska. Since we were working full time and had young children at home, we were not able to join in those wonderful adventures.

In that vein, though, we thought a Roadtrek caravan to Yucatan would not be too great a challenge. What do you think? Do you want to accept the invitation to join us and fellow Roadtrekkers for a three-month tour led by Caravanas de Mexico? Unlike the Gilligan's Island "three-hour tour", we are definitely planning on where to be, what sites to see and people to meet, where the fantastic food is, and what great campgrounds to stay at. We have gone on a Mexico City trip with Caravanas de Mexico before and it was wonderful.

We are already excited in anticipation of this trip, and it is more than a year away!

The Mexico part of the planning is being taken care of. In the past week, however, two different people have said they hesitate about going because they don't think they could be away for three months. "He who hesitates is lost," but not in this situation. Everything, as I said before, is pretty much planned, including time to rest, relax, or explore. As for us and our home, we turn off the mail and newspaper deliveries, turn on a timed light, and schedule the regular monthly bills to be auto paid by the bank, including the credit cards. Our neighbors keep a restful eye on the property, and our children periodically "drop by" for a vacation at the grandparents' house, minus the grandparents. When we are gone, we do not worry about the house.

So, are you up for the trip of a lifetime? Come with us. Join the Roadtrek Caravan to Yucatan!

Sam and Laura Hutkins.
